Mauritius LLC Invoice

Notes to invoice above

Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

[Effective 1 July 2019](#), the Mauritius Government issued the Income Tax (Amendment No. 2) Regulations 2019 (the Regulations) which requires all Mauritius entities to fulfil economic substance requirements by **i)** employing local staff, **ii)** leasing a physical office, **iii)** conducting core income-generating activity in the country incurring a minimum expenditure proportionate to its level of activities;

2. In accordance with the [Mauritius Companies Act section 164](#), each Mauritius limited liability company must appoint a company secretary, who may be a natural person or a body corporate, but the company secretary must be resident in Mauritius. Healy Consultants Group PLC will act as your Mauritius company secretary, for which our annual responsibilities include **i)** preparing and filing the legal annual return; **ii)** securely maintaining company records; **iii)** liaising with the Mauritius government on our Client's behalf; **iv)** legal filing of changes of company structure; and **v)** reminding our Client of statutory deadlines;

In accordance with [Mauritius Companies Act section 187](#), a Mauritius company shall as from the date of its incorporation have a legal registered office in Mauritius, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group PLC will supply a Mauritius office as the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return; and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants Group PLC' office address](#) on invoices, contracts, websites and business cards. If required, Healy Consultants Group PLC will also be pleased to locate a physical office at a one-time fee of US\$950;

3. To secure multi-currency corporate bank account approvals for our Client's company, Healy Consultants Group PLC strategy is as follows:
 - ✓ Healy Consultants Group PLC will prepare a quality business plan for our Client's review then use the same to **i)** secure multiple banks' confirmation they welcome a formal application from our Client's business and **ii)** maximize the probability of successful multi-currency corporate bank account approvals;

Mauritius LLC Invoice

- ✓ At the time of company incorporation, we recommend to keep [the corporate structure simple](#) (click link) by appointing our Client's preferred individual shareholder(s) and director(s) and bank signatories – no corporate entity, nominee, trust, or tax haven holding company;
- ✓ Our Client to appoint individuals who could timely travel to meet multiple local and international banks, if their Compliance Departments require the same before releasing multiple multi-currency corporate bank accounts numbers. If travel is required, our Firm will refund US\$950 and action [this travel policy](#);
- ✓ Before, during and after bank meetings, the bank's In-house Legal and Compliance Department may revert multiple times for additional documentation and information from each **i)** bank signatory / director / UBOs of the companies as well as **ii)** our Client's business and transactions;
- ✓ If some banks decline to board our Client's business, Healy Consultants Group PLC will immediately inform our Client and action backup banking solutions;
- ✓ All going well in an average of 3 months following application submission, Healy Consultants Group PLC secures multiple multi-currency corporate bank account numbers for our Client's company;
- ✓ Thereafter, Healy Consultants Group PLC or the banks will courier mails and e-banking to the bank signatory, who is expected to activate the internet bank account, if needed with Healy Consultants Group PLC's assistance;
- ✓ After corporate bank account numbers are secured and if required, Healy Consultants Group PLC to assist our Client to appoint more new shareholders and directors. However, the banks will usually only approve them as bank signatory after a face to face meeting and review and approval of a bank signatory application;

For each bank, our Firm will prepare a quality tailored business plan; to optimize the probability of corporate bank account approval. Each corporate bank account opening fee is [US\\$4,950](#) (click link). It is a time-consuming task; Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through newly formed companies when shareholders, directors and bank signatories reside overseas;

Depending on the nationality of the UBO, shareholders, bank signatories, and directors and the nature and value of the business assets and transactions, it is wise to expect that **i)** corporate bank account approvals will take an average of three months from the date of company registration and receipt of all KYC documentation and **ii)** multiple banks will request the directors AND bank signatories to travel for a one hour interview with the bank officer, before bank account opening. Refer to the notes below for more detailed important information about each corporate bank account opening procedures and requirements;

While Healy Consultants Group PLC will be glad to assist our Client to open multiple corporate bank accounts, it is challenging and time consuming to open corporate bank accounts for businesses when their shareholders, directors and bank signatories do not live in the country where the bank account is being applied for. Consequently, it will take us an average of [twelve weeks](#) to open each corporate bank account, counting from receipt of all required KYC documentation. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval;

During the corporate bank account opening process, it is common for each bank's in-house Legal and Compliance Department to request additional [due diligence](#) documents from potential customers

Mauritius LLC Invoice

including but not limited to **i)** regulatory licenses **ii)** proof of business globally and in home country including evidence of contracts, invoices and agreements with local Clients and **iii)** additional KYC information on our Client's business and place of residency, including nature and volume of transactions. We assume our Client provides most of this information within one week;

Because global interest rates are low, international banks make little profits from current accounts. Consequently, international banks appetite for new multi-currency corporate bank account opening applications is low. Consequently, global banks are more likely to reject new multi-currency corporate bank account opening applications. Because of the above, customer demand for new corporate bank accounts is very high. Consequently, international banks choose vanilla customers that tick all the boxes of a low risk Client. For example, most banks will only welcome multi-currency corporate bank account opening applications from a company registered in the same country, with local staff and office premises;

When dealing with international banks, the front office bank officer (Relationship Manager) is willing to help Healy Consultants Group PLC and our multi-national Clients. The realistic role of this bank officer is to collect information and ensure an accurate and complete multi-currency corporate bank account opening application is submitted to the bank in-house Legal and Compliance Department;

Unfortunately, the bank in-house Legal and Compliance Department has ultimate power of approval over new multi-currency corporate bank account applications. This Department is extremely risk adverse and often lacks commercial reality. Furthermore, the in-house Legal and Compliance Department does not speak to customers nor to Healy Consultants Group PLC. All communications must go through the front office bank officer. Consequently, quality Clients do not get a chance to communicate directly with the bank decision makers – a chance to properly explain their business and the risks the bank perceives;

Global banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval;

Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Client should expect the bank account approval period at least 2 months and on average 3 months;

During the engagement, banks will revert to Healy Consultants Group PLC and our Client to request additional KYC information, including **i)** details of existing business setup; **ii)** reason for opening bank accounts in the specific jurisdiction; **iii)** list of suppliers and Clients in the jurisdiction; **iv)** lease agreement; and **v)** proof of net worth from the shareholders and evidence the same are complying with their local taxation reporting obligations. As always, Healy Consultants Group PLC will liaise with the bank to secure exemption from these requirements;

While Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption unfortunately some banks may request both the foreign directors and bank signatories to travel, for a one-hour interview before the bank account numbers are issued. If the banks also request Healy Consultants Group PLC nominees to travel, there will be an additional fee of US\$5,950 per trip payable to cover the flight and hotel and other trip disbursements;

Mauritius LLC Invoice

All banking charges, certification and translation and other third-party fees incurred during the corporate bank account opening process are to be borne by our Client, never by the nominees. These additional fees are to be payable in advance of any disbursement.

Healy Consultants Group PLC will supply the banks with the proof of addresses and other due diligence supplied by our Client. Hopefully they will accept the same and do not revert requesting additional documents; From our side we will relentlessly negotiate for banks waivers. Healy Consultants Group PLC expects the bank's risk department to request additional [due diligence](#) from our Client's business and from the bank signatory, directors, shareholders and UBOs. We assume our Client will timely supply this information and supporting documents or there will be engagement delays;

4. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** registration fees at the [Mauritius Registrar of Companies](#) **ii)** issuance of a certificate of incorporation **iii)** issuance of the company seal and **iv)** registration with [Social Security](#). Following engagement completion, Healy Consultants Group PLC will refund our Client any excess of funds received over actual Government costs paid;
5. In accordance with Mauritius law, each entity must register with the Data Protection Office and secure the applicable Trade License from ROC. Healy Consultants fees to timely complete our Client's domestic company for these mandatory registrations within 6 weeks after company registration;
6. In accordance with Mauritius law, each entity must register for tax at the [Mauritius tax authority](#). VAT registration is mandatory if the company's sales in Mauritius exceeds an annual amount of US\$170,000 (MUR6 million). All local employees must also be registered with MRA for NPF and NSF. If required, our additional one time fee will be US\$150 per employee registration;
7. For an active trading company, these [accounting and tax](#) fees are an estimate of Healy Consultants Group PLC fees to efficiently and effectively discharge your annual company accounting and tax obligations. Following receipt of a set of draft accounting numbers from your company, Healy Consultants Group PLC will more accurately advise accounting and tax fees. For a dormant company, Healy Consultants Group PLC fees are only US\$950;
8. All fees quoted in this invoice correspond to fees quoted [on Healy Consultants Group PLC' website](#). Please review this invoice carefully to identify errors. During the rush of the business day, it is possible that Healy Consultants Group PLC inadvertently made fee calculation errors, typing errors or omitted services or omitted historic fee payments from Clients. In the unfortunate event you identify invoice errors, please revert to me directly re the same. I apologize in advance if I or my staff made invoice errors;
9. Assuming our Clients re-engage Healy Consultants Group PLC in year 2, this fee is an estimate of the fees payable next year, 12 months after the date of company registration;
10. The fees quoted in this invoice are a prediction of the fees required to efficiently and effectively complete this engagement in a timely manner. If during the engagement Healy Consultants Group PLC realizes that the project is more complex than anticipated, requiring a large additional investment of time, my Firm will revert to request additional fees.
