4. Healy Consultants will be pleased to open a Lithuania corporate bank account without our Client travel. It is a time consuming task, and Healy Consultants will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a readymade company when bank signatories reside overseas. Healy Consultants will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client's business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one hour bank interview. Healy Consultants will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Lithuania for corporate bank account opening, Healy Consultants will refund our Client €950;

If our Client is not comfortable with only a Lithuania corporate bank account, Healy Consultants will be pleased to open [an international corporate bank account](#) (click link) outside of Lithuania. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants' control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;
