## India Project Office Invoice

### Notes to invoice above

1. Healy Consultants Group PLC fees to efficiently and effectively complete India Project Office registration within [ten weeks](#) by **i)** choosing the optimum M&AA for our Client's business activities **ii)** settling our accountant and lawyer fees and **iii)** preparing a high quality registration application for submission to the [Registrar of Companies](#) (ROC).

All [engagement fees](#) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term.

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language.

2. In accordance with [India Companies Act, 2013](#), an India Project Office must appoint a registered company secretary, who may be a natural person or a body corporate, but must be resident in India. Healy Consultants Group PLC will act as your India company secretary, for which our annual responsibilities include **i)** preparing and filing the legal annual return **ii)** securely maintaining Project Office records **iii)** liaising with the Indian government on our Client's behalf **iv)** legal filing of changes of corporate structure and **v)** reminding our Client of statutory deadlines.

In accordance with [India Companies Act, 2013](#), a Project Office shall, as from the date of its registration, have a legal registered office in India, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group PLC's India office will be the registered office address for your Project Office. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants Group PLC's office address](#) on invoices, contracts, websites and business cards.

3. This fee is an estimate of government costs payable during your firm's engagement. All government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** applying for approval from the [Reserve Bank of India](#) (RBI) and **ii)** filing Project Office registration forms with the ROC. Following engagement completion, Healy Consultants Group PLC will refund our Client any excess funds received over actual government costs paid.
4. Healy Consultants Group PLC will be pleased to open an Indian multi-currency corporate bank account without our Client travelling. To secure Indian multi-currency corporate bank account approvals for our Client's company, Healy Consultants Group PLC strategy is as follows:
  - ✓ Healy Consultants Group PLC will prepare a quality business plan for our Client's review then use the same to **i)** secure multiple banks' confirmation they welcome a formal application from our Client's business and **ii)** maximise the probability of successful Indian multi-currency corporate bank account approvals;

## India Project Office Invoice

- ✓ We recommend keeping [the corporate structure simple](#) by appointing our Client's preferred individual shareholder(s) and director(s) and bank signatories - no corporate entity, nominee, trust, or tax haven holding company;
- ✓ To hedge the risk of our preferred bank not approving the release of corporate bank account numbers in a timely manner, Healy Consultants PLC will also submit a multi-currency corporate bank account opening application to at least one additional backup bank. In accordance with Healy Consultants PLC's [Guaranteed Bank Account Approval or your Money Back](#) policy, our additional fee per additional corporate bank account approved is €1,500;
- ✓ Our Client to appoint individuals who could timely travel to meet multiple local and international banks, if their Compliance Departments require the same before releasing multiple Indian multi-currency corporate bank account numbers. If travel is required, our Firm will refund US\$950 and action [this travel policy](#);
- ✓ Before, during and after bank meetings, the bank's In-house Legal and Compliance Department may revert multiple times for additional documentation and information from each **i)** bank signatory / director / UBOs of the companies as well as **ii)** our Client's business and transactions;
- ✓ If some banks decline to board our Client's business, Healy Consultants Group PLC will immediately inform our Client and action backup banking solutions;
- ✓ All going well in an average of 3 months following application submission, Healy Consultants Group PLC secures Indian multi-currency corporate bank account numbers for our Client's company;
- ✓ Thereafter, Healy Consultants Group PLC or the banks will courier mails and e-banking tokens received from banks to the bank signatory, who is expected to activate the internet bank account, if needed with Healy Consultants Group PLC's assistance.

Each corporate bank account opening fee is [US\\$4,950](#). It is a time-consuming task. Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through newly formed companies when shareholders, directors and bank signatories reside overseas.

Depending on the nationality of the UBO, shareholders, bank signatories, and directors and the nature and value of the business assets and transactions, it is wise to expect that **i)** corporate bank account approvals will take an average of three months from the date of company registration and receipt of all KYC documentation and **ii)** multiple banks will request the directors and bank signatories to travel for a one hour interview with the bank officer, before bank account opening. Refer to the notes below for more detailed important information about each corporate bank account opening procedures and requirements.

While Healy Consultants Group PLC will be glad to assist our Client to open multiple corporate bank accounts, it is challenging and time consuming to open corporate bank accounts for businesses when their shareholders, directors and bank signatories do not live in the country where the bank account is being applied for. Consequently, it will take us an average of [twelve weeks](#) to open each corporate bank account, counting from receipt of all required KYC documentation.

## India Project Office Invoice

During the corporate bank account opening process, it is common for each bank's in-house Legal and Compliance Department to request additional [due diligence](#) documents from potential customers including but not limited to **i)** regulatory licences **ii)** proof of business globally and in home country including evidence of contracts, invoices and agreements with local Clients and **iii)** additional KYC information on our Client's business and place of residency, including nature and volume of transactions. We assume our Client provides most of this information within one week.

Because global interest rates are low, international banks make little profit from current accounts. Consequently, international banks' appetites for new multi-currency corporate bank account opening applications is low. Therefore, global banks are more likely to reject new multi-currency corporate bank account opening applications. Because of the above, customer demand for new corporate bank accounts is very high. As a result, international banks choose vanilla customers that tick all the boxes of a low risk Client. For example, most banks will only welcome Indian multi-currency corporate bank account opening applications from a company registered in the same country, with local staff and office premises.

When dealing with international banks, the front office bank officer (Relationship Manager) is willing to help Healy Consultants Group PLC and our multi-national Clients. The realistic role of this bank officer is to collect information and ensure an accurate and complete Indian multi-currency corporate bank account opening application is submitted to the bank in-house Legal and Compliance Department.

Unfortunately, the bank in-house Legal and Compliance Department has ultimate power of approval over new Indian multi-currency corporate bank account applications. This Department is extremely risk adverse and often lacks commercial reality. Furthermore, the in-house Legal and Compliance Department does not speak to customers nor to Healy Consultants Group PLC. All communications must go through the front office bank officer. Consequently, quality Clients do not get a chance to communicate directly with the bank decision makers - a chance to properly explain their business and the risks the bank perceives.

Global banks enjoy ultimate power of approval over corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC's control. What is inside our control is the preparation and submission of a high quality bank application that maximises the likelihood of approval. Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Client should expect the bank account approval period at least 2 months and on average 3 months.

During the engagement, banks will revert to Healy Consultants Group PLC and our Client to request additional KYC information, including **i)** details of existing business setup **ii)** reason for opening bank accounts in the specific jurisdiction **iii)** list of suppliers and Clients in the jurisdiction **iv)** lease agreement; and **v)** proof of net worth from the shareholders and evidence the same are complying with their local taxation reporting obligations. As always, Healy Consultants Group PLC will liaise with the bank to secure exemption from these requirements.

If our client requires an international bank account, while Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption, unfortunately all Singapore and Hong Kong and most Asian and US banks will likely request both the foreign directors and bank signatories travel for a one-hour

## India Project Office Invoice

interview before the bank account numbers are issued. No exceptions. If the banks also request Healy Consultants Group PLC nominees to travel, there will be an additional fee of US\$5,950 per trip payable to cover the flight and hotel and other trip disbursements.

All banking charges, certification and translation and other third-party fees incurred during the corporate bank account opening process are to be borne by our Client, never by the nominees. These additional fees are to be payable in advance of any disbursement.

5. In accordance with [India Companies Act, 2013](#), all Indian companies should register for a Permanent Account Number (PAN) and Tax deduction and collection Account Number (TAN).
6. For an active trading project office, these [accounting and tax](#) fees are an estimate of Healy Consultants Group PLC fees to efficiently and effectively discharge annual accounting and tax obligations. The fees are an estimate for project office incorporated after 1 October in the current calendar year. For project offices incorporated before 1 October, the fee may increase to US\$4,950. Following receipt of a set of draft accounting numbers from your Project Office, Healy Consultants Group PLC will more accurately advise accounting and tax fees. The Project Office has submit to an [Authorised Dealer \(AD\) Category I bank branch](#) on an annual basis, a Certificate from a Chartered Accountant showing the Project Status and certifying that the accounts of the Project Office have been audited and the activities undertaken are in conformity with the General / Specific permission given by the Reserve Bank. For a dormant Project Office, Healy Consultants Group PLC fees are only US\$950.
7. All fees quoted in this invoice correspond to fees quoted on [Healy Consultants Group PLC's website](#). Please review this invoice carefully to identify errors. During the rush of the business day, it is possible that Healy Consultants Group PLC inadvertently made fee calculation errors, typing errors or omitted services or omitted historic fee payments from Clients. In the unfortunate event you identify invoice errors, please revert to me directly re the same. I apologise in advance if I or my staff made invoice errors.
8. Assuming our Clients re-engage Healy Consultants Group PLC in year 2, this fee is an estimate of the fees payable next year, 12 months after the date of project office registration.
9. The fees quoted in this invoice are a prediction of the fees required to efficiently and effectively complete this engagement in a timely manner. If during the engagement Healy Consultants Group PLC realises that the project is more complex than anticipated, requiring a large additional investment of time, my firm will revert to request additional fees.
10. Project Offices are the equivalent of a branch but with a registration limited to the expected duration of a specific project. Like branches, their business activities are limited to **i)** trading of goods **ii)** offering professional or consultancy services **iii)** engaging in research work **iv)** representing the parent company and assisting with collaborations with Indian firms **v)** providing IT services **vi)** providing shipping/airline travel services and **vii)** providing banking services. The Project Office suffers a corporation tax of 43%. The parent company must have **i)** a net worth of US\$100,000 and **ii)** profit making track record for the preceding five financial years.
11. There is no share capital requirement for the setup of a Project Office.

If required, Healy Consultants Group PLC will be pleased to provide our Clients with this service for a one-time fee of US\$950.
14. In accordance with the [Directorate General of Foreign Trade \(DGFT\)](#) in India, all companies planning to conduct export or import activities must secure an Importer Exporter Code (IEC) Number, unless specifically exempted. If required, Healy Consultants Group PLC will be pleased to secure an IEC Number from the DGFT for a one-time fee of US\$1,950.
15. Depending on our Client's business and nationality, the Indian government may require a special regulatory licence for you to carry on your business in the country. Healy Consultants Group PLC will assist our Client to secure licence approval. There may be additional engagement fees. However, the government enjoys ultimate power of approval over company registrations and business licences.
16. Monthly, quarterly and mid-year government tax obligations include **i)** payroll reporting and **ii)** monthly and quarterly GST, service tax, consumption tax and corporation tax return filing.
