Japan Bitcoin Company Invoice

Notes to invoice above

1. Healy Consultants Group PLC' fees to efficiently and effectively complete Japan company registration within [six weeks](#) (click link) by **i)** choosing the optimum regulatory license for our Client's business activities; **ii)** reserving a company name with [Legal Affairs Bureau](#); **iii)** settling our accountant and lawyer fees and **iv)** preparing a high quality company incorporation application for [Legal Affairs Bureau](#);

All [engagement fees](#) (click link) are agreed and paid up front and agree to the fees published on our country web pages. There are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term;

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, sms, Skype, [WhatsApp](#), live chat, [Viber](#) and email and will communicate in your preferred language;

2. Before company incorporation is complete, the Japanese Government must review and approve a lease agreement for office premises. If your Firm requires this service from Healy Consultants Group PLC, our one-time fee amounts to US\$950. The monthly rent thereafter will be paid independently and directly to the landlord by our Client. An estimate of such a rental for a space of 10 sqm for one employee is US\$1,700 per month;
3. This fee is an estimate of Government costs to complete your Firm's engagement. All Government fee payments will be supported by original receipts and invoices. Examples of Government costs include **i)** reserving the company name with [Legal Affairs Bureau](#); **ii)** preparation of LLC's articles of incorporation; **iii)** notarizing all company documents and **iv)** notification of stock acquisition to the [Bank of Japan](#). Following engagement completion, Healy Consultants Group PLC will refund our Client any excess of funds received over actual Government costs paid;
4. Healy Consultants Group PLC will be pleased to open a Japan bitcoin friendly corporate bank account without our Client needing to travel in a minimum of [8 weeks](#). It is a time-consuming task, Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain Bitcoin bank account approval when shareholders, directors and bank signatories reside overseas. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client business and nationality, there is a 40% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel for the corporate bank account opening, Healy Consultants Group PLC will refund our Client US\$950;

If our Client is not comfortable with only a Japan bitcoin corporate bank account, Healy Consultants Group PLC will be pleased to open [an international corporate bank account](#) (click link) outside of Japan. Examples include New York, Germany, Liechtenstein, Austria, South Africa, Australia, London, South America or Dubai. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, BNP Paribas, Emirates NBD, Bank of China, ANZ bank, Standard Bank, UBS, Credit Suisse;

The banks enjoy ultimate power of approval of Bitcoin corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval;

Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take at least 6 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

Because of the nature of our Client business, there is a 25% probability the bank in-house Legal and Compliance Department will reject the Bitcoin corporate bank account application. In the unfortunate event this occurs, Healy Consultants Group PLC will immediately discuss alternative corporate bank account [solutions \(click link\)](#);

Furthermore, Healy Consultants Group PLC expects the bank's risk department to request additional [due diligence](#) from our Client's business including **i)** specific license; **ii)** proof of business globally and **iii)** additional KYC information on our Client's business and place of residency. We assume our Client provides most of this information within one week;

Depending on our Client's business and nationality, there is a 25% probability the bank officer will request a set of corporate documents to be certified by the local registered agent, apostilled, translated or legalized with the nearest Bank Country Embassy. In such case, Healy Consultants Group PLC estimates the corporate bank account opening will be delayed with up to two business weeks. Following appropriate attestation of signatures, bank due diligence and corporate bank account opening forms, our Client couriers signed corporate bank account opening set required by the bank to our preferred address; and determination.

5. In accordance with [Japan Companies Act](#), each entity must register for corporate tax at the [National Tax Bureau](#);
6. For an active trading company, these [accounting and tax](#) fees are an estimate of Healy Consultants Group PLC fees to efficiently and effectively discharge your annual company accounting and tax obligations. For a dormant company, Healy Consultants Group PLC fees are only US\$950;
7. All fees quoted in this invoice correspond to fees quoted [on Healy Consultants Group PLC' website](#). Please review this invoice carefully to identify errors. In the unfortunate event you identify invoice errors, please revert to me directly re the same. I apologize in advance if I or my staff made invoice errors;
8. Assuming our Clients re-engage Healy Consultants Group PLC in year 2, this fee is an estimate of the fees payable next year, 12 months after the date of company registration;

If Healy Consultants Group PLC completes the engagement faster and more easily than expected, Healy Consultants Group PLC is happy to refund some fees to our Client;
10. While appointment of a resident director is not required by Law, Japanese banks will require the entity to have at least one resident director in Japan. Consequently, . To efficiently and effectively secure corporate bank account approval in a timely manner, we recommend our Clients to appoint a professional passive nominee as resident director, who will also visit the branch of our Client's preferred Japanese bank. Healy Consultants Group PLC will **i)** assist our Client to find a professional passive nominee resident director and **ii)** complete KYC review on the nominee and **iii)** supply a quality draft nominee agreement to make sure the interests of our Clients are well protect and **iv)** aggressively and skillfully negotiate with the bank to ensure only our Client's staff are appointed as bank signatories of the account. Our one time fee for this service is US\$4,950. If the banks do not require to appoint a resident director before confirming interest to board our Client's business, Healy Consultants will be happy to refund this fee. Otherwise, our Client should also budget an additional US\$3,950 per month in nominee fees, payable directly to the nominee, independently of Healy Consultants Group PLC;
11. In accordance with [Japan Companies Act](#), the minimum share capital of a Japanese LLC company is US\$1. Once engaged, Healy Consultants Group PLC will prepare a **i)** quality business plan and **ii)** spend 1 week liaising with the Japan Government to confirm if a specific business regulatory license is required. Because your Japan company will be involved in financial investments, asset management and Bitcoin trading, there is a 75% probability that the Japan Government will request your Firm to secure a business license. If this happens, there will be a delay of minimum 6 weeks in the engagement and there will be additional [project management](#) fees starting from US\$8,950. Healy Consultants Group PLC will negotiate license exemption. However, the Government enjoys ultimate power of approval of company registrations and business licenses. In the event that the company is licensed, it is possible the Japan authorities consider your Japan company as tax resident in Japan and therefore subject to corporate income tax;
