### **Dubai Corporate Bank Account Opening Invoice**

#### Notes to invoice above

GROUP PLC

1. Healy Consultants Group PLC will be pleased to open a Dubai corporate bank account within an average of <u>eight weeks</u>, including i) preparation of a quality business plan detailing the activities of our Client's business and <u>a detailed project plan</u>, ii) contacting multiple banks to secure a confirmation they welcome a formal application from our Client's business ii) pre-fill the corporate bank account opening forms for our Client's signature iv) submit a quality corporate bank account opening application along with the KYC documentation required by the bank vi) aggressively negotiate with the Bank to minimize additional KYC documentation requirements and v) find solutions to <u>challenges that can occur</u> throughout the engagement;

It is a time-consuming task, and Healy Consultants Group PLC will shelter our Client from the associated administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company when shareholders, directors and bank signatories reside overseas. Healy Consultants Group PLC will choose banks that have i) good e-banking platforms; ii) issue cheque books to pay local expenses; iii) if possible, do not rely on intermediate banks to handle their incoming and outgoing funds transfers; iv) issue corporate visa debit cards; and v) supply quality email and telephone customer service; The bank signatory to the bank account can be a foreigner and non-resident in UAE. That said, usually cheque books and debit cards are issued to those companies with a resident bank signatory;

Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client's business and nationality, there is a 60% probability the banks will request a bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption. If our Client must travel to Dubai for corporate bank account opening, Healy Consultants Group PLC will refund our Client US\$950;

If our Client is not comfortable with only a Dubai corporate bank account, Healy Consultants Group PLC will be pleased to open an international corporate bank account (click link) outside of Dubai. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Australia, London or South America. All banks will be top tier banks in these countries with excellent internet banking services. Example of our global banking partners include HSBC, Standard Chartered Bank, Citibank, Barclays, Standard bank, ANZ bank, VTB bank, UBS, Credit Suisse;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC's control. What is inside our control is the preparation and submission of a high-quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of our global banking relationships and determination.

Global banks continue to tighten corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, global banks now require evidence of proof of business in the country where the corporate bank account will be, including sales contracts or lease agreement;

7. If our Client and Healy Consultants Group PLC properly plan this engagement, our Clients will <u>not</u> have to travel during this engagement. Healy Consultants Group PLC will efficiently complete corporate bank account opening in a timely manner without our Client's presence. Instead, our Client will need to i) sign and get documents legalized in the embassy in their country of origin; and ii) courier the originals to Healy Consultants Group PLC's office;

- 8. Depending on our Client's business and the profile of his customers, Governments and Banks may require a special regulatory license to carry on their business and open a corporate bank account for their Company. If required, Healy Consultants Group PLC will assist our Client to secure such licenses but there will be additional engagement fees. Furthermore, the Government enjoys ultimate power of approval of company registrations and business licenses;
- As stipulated on our <u>business website</u> and in section 3 of our engagement letter, Healy Consultants Group PLC will only commence the engagement following i) settlement of our fees; and ii) completion and signing of our legal engagement letter;
