Gibraltar Non-resident Company Invoice

Notes to invoice above

1. Healy Consultants Group PLC fees to efficiently and effectively complete Gibraltar non-resident company registration within [two weeks](#) by **i)** choosing the optimum regulatory permit for the business; **ii)** reserving the company name with the [Companies House Gibraltar](#); **iii)** settling our accountants' and lawyers' fees; and **iv)** preparing a high quality company incorporation package for submission to the [Companies House Gibraltar](#);

All [engagement fees \(click link\)](#) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees or surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of [a detailed project plan](#), mapping out deliverables by week throughout the engagement term

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language;

2. In accordance with [s. 216 of the Gibraltar Companies Act 2014-19](#), each Gibraltar Company must appoint a company secretary, who may be a natural person or a body corporate resident in any country. Healy Consultants Group PLC will act as your Gibraltar company secretary, for which our annual responsibilities include **i)** preparing and filing the legal annual return; **ii)** securely maintaining company records; **iii)** liaising with the Gibraltar government on our Client's behalf; **iv)** legal filing of changes of company structure; and **v)** reminding our Client of statutory deadlines;

In accordance with [s. 178 of the Gibraltar Companies Act 2014-09](#), a Gibraltar Company shall as from the date of its incorporation have a legal registered office in Gibraltar, to which all official Government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants Group PLC Gibraltar office will be the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters; **ii)** notice of the legal annual return; and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants Group PLC's office address](#) on invoices, contracts, websites and business cards;

3. This fee is an estimate of government costs payable during your Firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. 4. Healy Consultants Group PLC will be pleased to open an international crypto-friendly corporate bank account without our Client travelling. It is a time-consuming task; Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through a newly formed company, when shareholders and directors and bank signatories reside overseas. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval. Depending on our Client business and nationality, there is a 20% probability the banks will request a bank signatory to travel for a one-hour bank interview. If our Client must travel for corporate bank account opening, Healy Consultants Group PLC will refund our Client £950;

Gibraltar Non-resident Company Invoice

Because of the nature of our Client business and the location of the entity, there is a 25% probability the bank in-house Legal and Compliance Department will reject your corporate bank account application and they will require you to set up a local company, before opening a bank account for your Firm. In the unfortunate event this occurs, Healy Consultants Group PLC will immediately discuss alternative corporate bank account [solutions \(click link\)](#);

Healy Consultants Group PLC will be pleased to open [an international corporate bank account](#) (click link) outside of Gibraltar. Examples include New York, Germany, Liechtenstein, Austria, Bulgaria, South Africa, Singapore, London, South America or Dubai. Furthermore, Healy Consultants Group PLC expects the bank's risk department to request additional [due diligence](#) from our Client's business including **i)** specific license; **ii)** proof of business globally and in the jurisdiction of the bank; and **iii)** additional KYC information on our Client's business and place of residency. We assume our Client provides most of this information within one week

Depending on our Client's business and nationality, there is a 60% probability the bank officer will request a set of corporate documents to be certified by the local registered agent, apostilled, translated or legalized with the nearest Bank Country Embassy. In such case, Healy Consultants estimates the corporate bank account opening will be delayed with up to three business weeks. Following appropriate attestation of signatures, bank due diligence and corporate bank account opening forms, our Client couriers signed corporate bank account opening set required by the bank to our preferred address;

The banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval. To date, we enjoy a 100% approval record because of [our global banking relationships](#) and determination;

Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Clients should expect the bank account approval period to take up to 4 weeks. Furthermore, the company carries out a business that may be viewed by banks as high risk. This may negatively affect the timely completion this engagement;

- For an active trading company, these [accounting and tax](#) fees are an estimate of Healy Consultants Group PLC fees to efficiently and effectively discharge your annual company accounting and tax obligations. Following receipt of a set of draft accounting numbers from your company, Healy Consultants Group PLC will more accurately advise accounting and tax fees.
