All Government fees paid up to date and historic annual accounting and tax and legal and audit obligations complete. Within 1 business day after fee settlement, my team and I will email you **i)** a certificate of incorporation and **ii)** a city center business address **iii)** a tax number and **iv)** multicurrency corporate bank account numbers

This cost includes fees to purchase the readymade company including pay all past Government fees. The purchase fee varies depending on the company live; the older the company is, the more expensive this will be. If the purchase cost is higher than expected by Healy Consultants Group, the client will be notified and the excess amount will be borne by our Client.

All [engagement fees](#) are agreed and paid up front and agree to the fees published on our web pages. Consequently, there are no hidden fees or surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of [a detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term.

Every week during the engagement, Healy Consultants Group PLC emails our Client a detailed engagement [status update](#). Our Client is immediately informed of engagement problems and solutions and progress. In your preferred language, your dedicated Engagement Project Manager will communicate with you via cell phone, Skype, WhatsApp, Viber, SMS, WeChat, Telegram, QQ, Facebook Messenger or Line Messenger;

2. In accordance with Spanish [Corporate Enterprises Act](#), each Spain limited liability company must appoint a company secretary, who may be a natural person or a body corporate, but the company secretary must be resident in Spain. Healy Consultants will act as your Spain company secretary, for which our annual responsibilities include **i)** preparing and filing the legal annual return; **ii)** securely maintaining company records; **iii)** liaising with the Spanish government on our Client's behalf; **iv)** legal filing of changes of company structure; and **v)** reminding our Client of statutory deadlines;

In accordance with the Spanish [Corporate Enterprises Act](#), an company shall as from the date of its incorporation have a legal registered office in Spain, to which all official government communications and notices may be addressed. To comply with this statutory requirement, Healy Consultants' Spain office will be the registered office address for your company. Thereafter, this address will be used to receive government correspondence including **i)** tax letters **ii)** notice of the legal annual return; and **iii)** all government communications. Most of our Clients wish to place [Healy Consultants' office address](#) on invoices, contracts, websites and business cards;

3. Over coming days, Healy Consultants Group PLC will supply our Client with a bank statement that shows **i)** multi-currency corporate bank account numbers and **ii)** evidence the multi-currency corporate bank account was dormant since inception and **iii)** proof of the initial deposit and current bank balance;

Within 6 weeks thereafter, Healy Consultants PLC will complete the appointment of our Client as the new sole bank signatory to the existing multi-currency corporate bank accounts. Changing bank signatories is a time-consuming task; Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to secure bank in-house Legal and Compliance Department approval for change of bank signatories when the new shareholders and directors and the new bank signatory reside overseas.

Healy Consultants Group PLC will prepare a quality business plan for the bank; to optimize the probability of timely new bank signatory approval. Depending on the business and nationality of our Client, there is a

Spain LLC Turnkey Solution with Bank Account Tax Invoice

30% probability the bank will request the new bank signatory to travel for a one-hour bank interview. Healy Consultants Group PLC will aggressively and skilfully negotiate with the bank for a travel exemption. If our Client must travel for corporate bank account opening, Healy Consultants Group PLC will refund our Client €950 and implement [this travel policy](#) (click link);

It is important our Client is aware Healy Consultants Group PLC will only change the bank signatory after 100% of our Client due diligence documentation is received by courier. Only after the sole bank signatory is legally changed to our Client, can you remit funds into the corporate bank account. I recommend you read [this web page \(click link\)](#) to re-familiarize yourself with the detailed corporate restructuring process and timeframe, including **i)** changing bank signatory; **ii)** shareholders and directors; and **iii)** company name and business activity;

To secure the multi-currency corporate bank account approvals for our Client's signatories, Healy Consultants Group PLC strategy is as follows:

- ✓ Healy Consultants Group PLC will prepare a quality business plan for our Client's review then use the same to **i)** secure multiple banks' confirmation they welcome a formal application from our Client's business and **ii)** maximize the probability of successful multi-currency corporate bank account approvals;
- ✓ At the time of company restructuring, we recommend to keep [the corporate structure simple](#) (click link) by appointing our Client's preferred individual shareholder(s) and director(s) and bank signatories – no corporate entity, nominee, trust, or tax haven holding company;
- ✓ Our Client to appoint individuals who could timely travel to meet multiple local and international banks, if their Compliance Departments require the same before releasing multiple multi-currency corporate bank accounts numbers. If travel is required, our Firm will refund €950 and action [this travel policy](#);
- ✓ Before, during and after bank meetings, the bank's In-house Legal and Compliance Department may revert multiple times for additional documentation and information from each **i)** bank signatory / director / UBOs of the companies as well as **ii)** our Client's business and transactions;
- ✓ If the bank declines to board our Client's business, Healy Consultants Group PLC will immediately inform our Client and action backup banking solutions;
- ✓ All going well in an average of 3 months following application submission, Healy Consultants Group PLC secures bank signatory approval for the multiple multi-currency corporate bank account for our Client's company;
- ✓ Thereafter, Healy Consultants Group PLC or the banks will courier mails and e-banking tokens the bank signatory, who is expected to activate the internet bank account, if needed with Healy Consultants Group PLC's assistance;

If Client wants to pursue other bank accounts, for each bank, our Firm will prepare a quality tailored business plan; to optimize the probability of corporate bank account approval. Each corporate bank account opening fee is [€4,950 \(click link\)](#). It is a time-consuming task; Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through newly formed companies when shareholders, directors and bank signatories reside overseas;

Depending on the nationality of the UBO, shareholders, bank signatories, and directors and the nature and value of the business assets and transactions, it is wise to expect that **i)** corporate bank account approvals will take an average of three months from the date of company registration and receipt of all KYC documentation and **ii)** multiple banks will request the directors and bank signatories to travel for a one hour interview with the bank officer, before bank account opening. Refer to the notes below for more detailed important information about each corporate bank account opening procedures and requirements;

Spain LLC Turnkey Solution with Bank Account Tax Invoice

While Healy Consultants Group PLC will be glad to assist our Client to open multiple corporate bank accounts, it is challenging and time consuming to open corporate bank accounts for businesses when their shareholders, directors and bank signatories do not live in the country where the bank account is being applied for. Consequently, it will take us an average of [twelve weeks](#) to open each corporate bank account, counting from receipt of all required KYC documentation. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval;

During the corporate bank account opening process, it is common for each bank's in-house Legal and Compliance Department to request additional [due diligence](#) documents from potential customers including but not limited to **i)** regulatory licenses **ii)** proof of business globally and in home country including evidence of contracts, invoices and agreements with local Clients and **iii)** additional KYC information on our Client's business and place of residency, including nature and volume of transactions. We assume our Client provides most of this information within one week;

Because global interest rates are low, international banks make little profits from current accounts. Consequently, international banks appetite for new multi-currency corporate bank account opening applications is low. Consequently, global banks are more likely to reject new multi-currency corporate bank account opening applications. Because of the above, customer demand for new corporate bank accounts is very high. Consequently, international banks choose vanilla customers that tick all the boxes of a low risk Client. For example, most banks will only welcome multi-currency corporate bank account opening applications from a company registered in the same country, with local staff and office premises;

When dealing with international banks, the front office bank officer (Relationship Manager) is willing to help Healy Consultants Group PLC and our multi-national Clients. The realistic role of this bank officer is to collect information and ensure an accurate and complete multi-currency corporate bank account opening application is submitted to the bank in-house Legal and Compliance Department;

Unfortunately, the bank in-house Legal and Compliance Department has ultimate power of approval over new multi-currency corporate bank account applications. This Department is extremely risk adverse and often lacks commercial reality. Furthermore, the in-house Legal and Compliance Department does not speak to customers nor to Healy Consultants Group PLC. All communications must go through the front office bank officer. Consequently, quality Clients do not get a chance to communicate directly with the bank decision makers – a chance to properly explain their business and the risks the bank perceives;

Global banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC control. What is inside our control is the preparation and submission of a high quality bank application that maximizes the likelihood of approval;

Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Client should expect the bank account approval period [at least](#) 2 months and on average 3 months.

During the engagement, banks will revert to Healy Consultants Group PLC and our Client to request additional KYC information, including **i)** details of existing business setup; **ii)** reason for opening bank accounts in the specific jurisdiction; **iii)** list of suppliers and Clients in the jurisdiction; **iv)** lease agreement; and **v)** proof of net worth from the shareholders and evidence the same are complying with their local taxation reporting obligations. As always, Healy Consultants Group PLC will liaise with the bank to secure exemption from these requirements;

Spain LLC Turnkey Solution with Bank Account Tax Invoice

While Healy Consultants Group PLC will try its best to negotiate with the bank for a travel exemption unfortunately all Singapore and Hong Kong and most Asian banks will likely request both the foreign directors and bank signatories to travel, for a one-hour interview before the bank account numbers are issued. No exceptions; If the banks also request Healy Consultants Group PLC nominees to travel, there will be an additional fee of €5,950 per trip payable to cover the flight and hotel and other trip disbursements.

All banking charges, certification and translation and other third-party fees incurred during the corporate bank account opening process are to be borne by our Client, never by the nominees. These additional fees are to be payable in advance of any disbursement;

Healy Consultants Group PLC will supply the banks with the proof of addresses and other due diligence supplied by our Client. Hopefully they will accept the same and do not revert requesting additional documents; From our side we will relentlessly negotiate for banks waivers. Healy Consultants Group PLC expects the bank's risk department to request additional [due diligence](#) from our Client's business and from the bank signatory, directors, shareholders and UBOs. We assume our Client will timely supply this information and supporting documents or there will be engagement delays.

4. Healy Consultants Group PLC assists our Client transfer ownership of Spanish SL and multi-currency corporate bank account.
