The license application is submitted to the Investors Service Center in DMCC FZ. The latter is required to evaluate the investment request and give a decision within 30 days.

All [engagement fees](#) are agreed and paid up front and agree to the fees published on our country web pages. Consequently, there are no hidden fees, surprises or ambushes throughout the engagement. All engagement deadlines are agreed up front in the form of a [detailed project plan](#), mapping out [deliverables](#) by week throughout the engagement term.

Every week during the engagement, Healy Consultants Group PLC will email our Client a [detailed status update](#). Our Client is immediately informed of engagement problems together with solutions. Your dedicated engagement manager is reachable by phone, Skype, live chat and email and will communicate in your preferred language.

2. Before branch office incorporation is complete, DMCC FZ Authority will review and approve a lease agreement for [office premises](#). If our Client requires this service from Healy Consultants Group PLC, our one-time fee amounts to US\$950. The monthly rent and other related fees will be paid independently and directly to DMCC Authority by our Client. The average rental fee for a flexi desk office is US\$5,250, valid for 2 visas.
3. This fee is an estimate of government costs payable during your firm's engagement. For transparency purposes, all government fee payments will be supported by original receipts and invoices. Examples of government costs include **i)** obtaining pre-approval from [DMCC Authority](#) **ii)** branch office registration and **iii)** drafting and filing the Memorandum of Association. Following engagement completion, Healy Consultants Group PLC will refund our Client any excess funds received over actual government costs paid.
4. This is the estimated fee payable to DMCC FZ Authority for the business license. The estimated fee for a Commercial or Service license amounts to US\$5,500. The fee for a General Trading license amounts to US\$19,000. As always, Healy Consultants Group PLC will provide our Client with original payment receipts of all government fees. Branch office licenses must be renewed annually after the branch office files the annual audited financial statements with the Free Zone Authority.
5. To secure multi-currency corporate bank account approvals for our Client's branch office, Healy Consultants Group PLC's strategy is as follows:
 - ✓ Healy Consultants Group PLC will prepare a quality business plan for our Client's review then use the same to **i)** secure multiple banks' confirmation they welcome a formal application from our Client's business and **ii)** maximise the probability of successful multi-currency corporate bank account approvals;

DMCC Free Zone Branch Office Invoice

- ✓ At the time of branch registration, we recommend to keep [the corporate structure simple](#) by appointing our Client's preferred individual shareholder(s) and director(s) and bank signatories - no corporate entity, nominee, trust, or tax haven holding company;
- ✓ Our Client to appoint individuals who could timely travel to meet multiple local and international banks, if their Compliance Departments require the same before releasing multiple multi-currency corporate bank account numbers. If travel is required, our firm will refund £950 and action [this travel policy](#);
- ✓ Before, during and after bank meetings, the bank's In-house Legal and Compliance Department may revert multiple times for additional documentation and information from each **i)** bank signatory / director / UBOs of the companies as well as **ii)** our Client's business and transactions;
- ✓ If some banks decline to board our Client's business, Healy Consultants Group PLC will immediately inform our Client and action backup banking solutions;
- ✓ All going well in an average of two months following application submission, Healy Consultants Group PLC secures multiple multi-currency corporate bank account numbers for our Client's company;
- ✓ Thereafter, Healy Consultants Group PLC or the banks will courier mails and e-banking tokens to the bank signatory, who is expected to activate the internet bank account, if needed with Healy Consultants Group PLC's assistance;
- ✓ After corporate bank account numbers are secured and if required, Healy Consultants Group PLC to assist our Client to appoint more new shareholders and directors. However, the banks will usually only approve them as bank signatory after a face to face meeting and review and approval of a bank signatory application.

For each bank, our firm will prepare a quality tailored business plan; to optimize the probability of corporate bank account approval. Each corporate bank account opening fee is [US\\$4,950](#). It is a time-consuming task. Healy Consultants Group PLC will shelter our Client from the administrative challenges. As you can appreciate, it is a difficult task to obtain bank account approval through newly-formed companies when shareholders, directors and bank signatories reside overseas.

Depending on the nationality of the UBO, shareholders, bank signatories, and directors and the nature and value of the business assets and transactions, it is wise to expect that **i)** corporate bank account approvals will take an average of three months from the date of company registration and receipt of all KYC documentation and **ii)** multiple banks will request the directors AND bank signatories to travel for a one hour interview with the bank officer, before bank account opening. Refer to the notes below for more detailed important information about each corporate bank account opening procedures and requirements.

DMCC Free Zone Branch Office Invoice

While Healy Consultants Group PLC will be glad to assist our Client to open multiple corporate bank accounts, it is challenging and time consuming to open corporate bank accounts for businesses when their shareholders, directors and bank signatories do not live in the country where the bank account is being applied for. Consequently, it will take us an average of [twelve weeks](#) to open each corporate bank account, counting from receipt of all required KYC documentation. Healy Consultants Group PLC will prepare a business plan for the bank to optimize the probability of corporate bank account approval.

During the corporate [bank](#) account opening process, it is common for each bank's in-house Legal and Compliance Department to request additional [due diligence](#) documents from potential customers including but not limited to **i)** regulatory licenses **ii)** proof of business globally and in home country including evidence of contracts, invoices and agreements with local Clients and **iii)** additional KYC information on our Client's business and place of residency, including nature and volume of transactions. We assume our Client provides most of this information within one week.

Because global interest rates are low, international banks make little profit from current accounts. Consequently, international banks appetite for new multi-currency corporate bank account opening applications is low. Therefore, global banks are more likely to reject new multi-currency corporate bank account opening applications. Because of the above, customer demand for new corporate bank accounts is very high. As a result, international banks choose vanilla customers that tick all the boxes of a low risk Client. For example, most banks will only welcome multi-currency corporate bank account opening applications from a branch registered in the same country, with local staff and office premises.

When dealing with international banks, the front office bank officer (Relationship Manager) is willing to help Healy Consultants Group PLC and our multi-national Clients. The realistic role of this bank officer is to collect information and ensure an accurate and complete multi-currency corporate bank account opening application is submitted to the bank in-house Legal and Compliance Department.

Unfortunately, the bank in-house Legal and Compliance Department has ultimate power of approval over new multi-currency corporate bank account applications. This Department is extremely risk adverse and often lacks commercial reality. Furthermore, the in-house Legal and Compliance Department does not speak to customers nor to Healy Consultants Group PLC. All communications must go through the front office bank officer. Consequently, quality Clients do not get a chance to communicate directly with the bank decision makers - a chance to properly explain their business and the risks the bank perceives.

Global banks enjoy ultimate power of approval of corporate bank account applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC control. What is inside our control is the preparation and submission of a high-quality bank application that maximizes the likelihood of approval.

Global banks [continue to tighten](#) corporate bank account opening procedures, their internal compliance departments completing more thorough due diligence of Clients. Consequently, our Client should expect the bank account approval period [at least](#) two months, and on average three months.

During the engagement, banks will revert to Healy Consultants Group PLC and our Client to request additional KYC information, including **i)** details of existing business setup **ii)** reason for opening bank accounts in the specific jurisdiction **iii)** list of suppliers and Clients in the jurisdiction **iv)** lease agreement and **v)** proof of net worth from the shareholders and evidence the same are complying with their local taxation reporting obligations. As always, Healy Consultants Group PLC will liaise with the bank to secure exemption from these requirements.

DMCC Free Zone Branch Office Invoice

All banking charges, certification and translation and other third-party fees incurred during the corporate bank account opening process are to be borne by our Client, never by the nominees. These additional fees are to be payable in advance of any disbursement.

Healy Consultants Group PLC will supply the banks with the proof of addresses and other due diligence supplied by our Client. Hopefully, they will accept the same and do not revert requesting additional documents. From our side we will relentlessly negotiate for banks waivers. Healy Consultants Group PLC expects the bank's risk department to request additional [due diligence](#) from our Client's business and from the bank signatory, directors, shareholders and UBOs. We assume our Client will timely supply this information and supporting documents or there will be engagement delays.

Instead, our Client will need to **i)** sign and get documents legalized in the embassy in their country of origin and **ii)** courier the originals to Healy Consultants Group PLC office.
15. During the engagement, some shareholders and directors documents may need to be translated into Arabic before the government and bank approves branch office registration and corporate bank account opening respectively. Consequently, our Client should budget for possible additional translation and embassy attestation fees in their country of origin as well as in UAE. Either our Client or Healy Consultants Group PLC can complete this administrative task.
- As always, Healy Consultants Group PLC will negotiate with all third parties to eliminate or reduce additional engagement costs.
