Notes to invoice above:

1. Within 7 days from receipt of signed documents from Our Client, my team and I will email Our Client **i)** a certificate of incorporation and **ii)** a city centre business address and **iii)** tax numbers and **iv)** an already approved VASP cryptocurrency wallet authorization from the Lithuanian Central Bank ([LB](#)) and **iv)** stationery on your company letterhead, complying with Lithuanian company law. The Crypto Wallet Authorized company is a dormant clean shelf company with historic annual legal & accounting & tax & audit statutory obligations complete;
2. Before we appoint your preferred directors and shareholders, our Staff and Client will detail-discuss important business considerations outlined on [this web page](#). Immediately thereafter, my team and I will change **i)** the company name **ii)** the entity's business activity (if required) and **iii)** appoint your preferred shareholders and directors and **iv)** email you an amended extract of [commercial registrar](#) reflecting all legal changes;

Simultaneously, my team and I will transfer the VASP cryptocurrency wallet authorization to the new beneficial owner. This part of the engagement is difficult and time-consuming, but we will shelter you from the administrative challenges. Over a 10-12 week period, Healy Consultants Group PLC will regularly communicate with the [LB](#) to **i)** supply a quality business plan and complete an accurate application to change the ownership of the VASP cryptocurrency wallet and **ii)** solve problems as they occur and **iii)** timely supply additional information and documents to the different Government departments;

Within 2 months and all going well, I expect a successful transfer of the Lithuanian crypto currency authorisation to Our Client. Our Client will then be able to **i)** provide the professional service of exchanging a virtual currency against a fiat currency and **ii)** holding a virtual currency wallet. That said, the Lithuanian Government enjoys ultimate power of approval of corporate structure change applications. Consequently, guaranteed success is outside of Healy Consultants Group PLC' control. What is inside our control is the preparation and submission of a high-quality application that maximizes the likelihood of approval. As you can appreciate, it is a difficult task to obtain approval from the Government for a newly formed dormant company, when the entity's shareholders and directors and bank signatories reside overseas;

During the engagement, there is a 15% probability that the [LB](#) will request **i)** a detailed AML / compliance manual and or **ii)** KYC procedures and other regulatory documentation and or **ii)** a legal opinion from a Lithuanian lawyer and or **iv)** the employment of a specific number of local employees and or **iv)** the profile of the MLRO officer and or **iv)** a higher paid-up share capital. As always, Healy Consultants Group PLC will be pleased to assist our Client comply with the same; additional fees will apply;

3. Before approving the transfer of the VASP cryptocurrency wallet shell company, the Lithuanian Government must review and approve a physical office premises lease agreement. To comply with this statutory requirement, my team and I will locate a suitable temporary fully furnished office. The monthly rent thereafter will be paid independently and directly to the landlord. Budget a monthly rent of €450 for a 10 sqm space for one employee; and
4. Every Lithuanian VASP crypto wallet issuer company must appoint a professional resident MLRO / Compliance Officer. While there is no need for this person to be Lithuanian, all correspondence with the authorities will be in the local language. In the short term, Healy Consultants Group PLC will supply a temporary Officer and our Client should expect to pay this nominee a monthly fee ranging from €2,000 to €3,950. As always, my team and I will **i)** email you a menu of MLRO officer candidates including their detailed due diligence documents and **ii)** aggressively and skilfully negotiate a fair and reasonable monthly fee and **iii)** draft a Professional Services Agreement with terms and conditions that protect your Lithuanian business. In the long term, I recommend Our Client to [recruit](#) their preferred local employee.
